B400.0059

All Options

Proof of Insurability: Part or all of Your insurance amounts may be subject to Proof of Insurability. The Schedule Of Benefits explains if and when We require proof. You will not be covered for any amount that requires such proof until You give the proof to Us and We approve that proof in writing.

B400.0061

All Options

Multiple Employment: If You work for both the Employer and a covered associated company, or for more than one covered associated company, We will treat You as if only one firm employs You. You will not have multiple Short Term Disability coverage under this Certificate. But, if this Certificate uses the amount of Your Insured Earnings to set the rates, determine class, figure coverage amounts, or for any other reason, such earnings will be figured as the sum of Your Insured Earnings from all covered Employers.

B400.0062

All Options

When Coverage Starts

For coverage to start, You must be fully capable of performing the major duties of Your Own Job for the Employer working the minimum required number of hours of an Employee in Your eligible class at 12:01 A.M. Standard Time for Your place of residence on Your scheduled Eligibility Date. And, for coverage to start, You must meet all of the Conditions of Eligibility described above and the conditions shown below which apply to You. If You are not fully capable of performing the major duties of Your Own Job on Your scheduled Eligibility Date, We will postpone the start of Your coverage while this Certificate is in force. We will postpone coverage until You are so capable and working the minimum required number of hours of an Employee in Your eligible class for one full day, with the capacity to do so for one full week.

Whether You must pay all or part of the cost of Your coverage, You must elect to enroll and agree to make the required payments before Your coverage will start. If You do this on or before Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You do this within 31 days after Your Eligibility Date, Your coverage is scheduled to start on the date You sign Your enrollment form. If You elect to enroll and agree to make the required payments more than 31 days after Your Eligibility Date, Your coverage will not start until You send Us Proof of Insurability. Once We have approved such proof, Your coverage is scheduled to start on Your approved Eligibility Date.

B400.0064

Exception to When Coverage Starts

Sometimes a scheduled Eligibility Date is not a regularly scheduled work day. If the scheduled Eligibility Date falls on:

- A holiday;
- A vacation day;
- A non-scheduled work day;
- A day during an approved leave of absence not due to Sickness or Injury, of 90 days or less; or
- A day during a period of absence that is less than 7 days in duration;

and if:

- You were fully capable of performing the major duties of Your Own Job for the Employer for the minimum number of hours of an Employee in Your eligible class at 12:01 AM Standard Time for Your place of residence on the scheduled Eligibility Date; and
- You were performing the major duties of Your Own Job and working the minimum number of hours of an Employee in Your eligible class on Your last regularly scheduled work day.

Your coverage will start on the scheduled Eligibility Date. However, any coverage or part of coverage for which You must elect and pay all or part of the cost, will not start if You are on an approved leave and such coverage or part of coverage was not previously in force for You under a prior plan which this Certificate replaced.

Any part of Your coverage which is subject to Proof of Insurability will not start unless You send such proof to Us, and We approve it in writing. Once We have approved it, that part of Your coverage is scheduled to start on Your approved Eligibility Date.

B400.0066

Delayed Effective Date For Short Term Disability Income Coverage:If, due to Sickness or Injury, You are not Actively At Work and working the minimum required number of hours of an Employee in Your eligible class, on Your scheduled Eligibility Date for Short Term Disability, We will postpone coverage for any condition(s) that prevent you from meeting the Active Work requirement. We will postpone such coverage until You complete one full day of Active Work working Your regular number of hours, with the capacity to do so for one full week, and without missing a work day due to the same condition(s). Coverage for an otherwise covered loss due to all other conditions will start on the date You return to Active Work working the minimum required number of hours of Your eligible class and performing the regular duties of Your job.

B400.0067

When Coverage Ends

Your coverage will end on the first of the following dates:

- The date Your Active Full-Time Work ends for any reason, except as shown below under Continuation Of Coverage.
- The date You stop being an eligible Employee under this Certificate.
- The date You are no longer working in the United States and/or Canada, or no longer working outside of the United States for a United States based employer in a country or region approved by Us. Any incidental business or personal travel outside of the United States and/or Canada, or outside of a country or region approved by Us, is covered. Such travel will be considered incidental if it is for a period not to exceed 30 consecutive days.
- The date the group Certificate ends, or is discontinued for a class of Employees to which You belong.
- The last day of the period for which required payments are made for You.
- The date You die.

You may have the right to continue certain group benefits for a limited time after Your coverage would otherwise end. Read this Certificate carefully for details and discuss with your Employer or administrator. Any provisions that allow continuation of such group benefits must be offered and administered on a fair and equitable basis.

B400.0070

CONTINUATION OF COVERAGE

Coverage During Disability

You may be Disabled when Your Active Full-Time Work ends due to a non-job related Injury or Sickness for which benefits are not payable. In that case, Your coverage will remain in force during the:

- Elimination Period, subject to payment of required premiums; and
- The period of time for which benefits are payable by this Certificate.

But, in order for Your coverage to continue, the Disability:

- Must be covered by this Certificate;
- And benefits must not be excluded due to this Certificate's Pre-Existing Conditions provision, or any other exclusion.

B400.0073

SHORT TERM DISABILITY INCOME COVERAGE

This coverage replaces part of Your income if You become Disabled due to a covered Sickness or Injury. What We pay is governed by all the terms of this Policy. This Certificate includes the Short Term Disability Schedule of Benefits. Your class and benefit options are shown in the Schedule of Benefits that applies to You.

Terms with special meanings are defined, and are capitalized. See the Definitions section of this Certificate. Other terms with special meanings are defined where they are used.

Benefits accrue as of the first day after the end of the Elimination Period, subject to all Certificate terms.

You can satisfy the Elimination Period while working, provided You are Disabled.

B400.1901

All Options

Maximum Payment Period: The Maximum Payment Period is shown in the Schedule Of Benefits. But, it may be less than that shown due to:

- The date You were first treated for the cause of Your Disability; and
- The length of time You have been covered by this Certificate. See Pre-Existing Conditions.

Benefits payable during the Maximum Payment Period will not be affected by the termination of the Certificate, subject to all the terms and conditions of the Certificate that were in effect on the first date of Your Disability. Any change to the Certificate with an Effective Date after the first date of Your Disability will not apply to benefits payable during the Maximum Payment Period.

B400.0144

All Options

Recurring Disability: Benefits from this Certificate end if You cease to be Disabled. But, a later Disability may be treated as a Recurring Disability, if all of the conditions listed below are met:

- You must return to Active Work right after Your benefits end.
- The Disability must recur less than two weeks after You were last entitled to benefits.
- The later Disability must be due to the same or related cause of Your earlier Disability.
- This Certificate must not end during Your return to Active Work.
- You must not become covered under any other similar group income replacement plan during the time You return to Active Work.
- When You return to Active Work after being disabled, You must be covered by this Certificate and all required premium must be paid.
- A subsequent Disability will not be considered a Recurring Disability if Your benefits for the prior Disability ended because Your prior Disability had been paid for the Maximum Payment Period.

If the later Disability is a Recurring Disability, You will not need to satisfy a new Elimination Period. The Recurring Disability will be subject to all the terms of this Certificate in effect on the date the earlier Disability began.

If all of the conditions listed above are not met, the later Disability will be treated as a new period of Disability. You will be required to satisfy a new Elimination Period. The new period of Disability will be subject to all the terms of this Certificate in effect on the date the new period of Disability starts.

B400.0146

Calculation of Weekly Benefit: Your benefit is governed by the terms of this Certificate in effect on the date Disability starts. Any changes to this Certificate that take place as follows are inapplicable to, and will not affect, Your benefit:

- While You are Disabled; or
- During a period of Active Work that occurs between an initial period of Disability and a Recurring Disability.

We calculate Your Gross Weekly Benefit according to the Schedule of Benefits.

From Your Gross Weekly Benefit, subtract the amount of any income listed in Other Income Benefits that You receive or are entitled to receive. The result is Your Weekly Benefit.

B400.0148

All Options

Redetermination: This Certificate redetermines Your Insured Earnings on the date a change in Your Insured Earnings occurs. The Employer must report updates to all Employees Insured Earnings as they occur. Changes to Your Insured Earnings are subject to any Proof of Insurability requirements that may apply to this Certificate. As of this Certificate's redetermination date, We use Your Insured Earnings on record with Us to:

- Set rates;
- Project benefit amounts and limits; and
- Calculate premium payable under this Certificate.

You must be Actively at Work on a Full-Time basis on that date. If You are not, We do not do this until the date You return to Active Work on a Full-Time basis. But, changes in earnings will not apply to a Recurring Disability.

B400.0156

All Options

Other Income Benefits: You may receive, or be entitled to receive, income shown in the list below. We will reduce Your Gross Weekly Benefit by such other income benefits to determine Your Weekly Benefit from this Certificate.

- Commissions or monies received, payable but not deferred, or paid after Disability benefits start.

This includes:

- Vested and nonvested renewal commissions;
- Bonuses;
- Royalties; and
- Other distributions.
- Disability benefits from any mandated benefit act or law. This includes all temporary disability or state disability benefits required by law.
- Disability benefits from all group policies or plans of the Employer. This includes payments made by a group life insurance plan due to Your Disability. This does not include payments made from a group life insurance plan's:
 - Accelerated death benefit; or
 - Like provision that allows payment of such plan's proceeds due to terminal illness.
- Disability benefits from any other group policy or plan; but, if the other group plan was in force prior to this Certificate, and the other group plan also deducts for Disability benefits from any other group plan, We will not deduct these other group Disability benefits.
- Income received from partnership distributions but only to the extent that such income plus the amount of Your Gross Weekly Benefit is more than 100% of Your Insured Earnings.
- Benefits from: The United States Social Security Act; The Railroad Retirement Act; or any other like U.S. or Canadian plan or act.

This includes:

- (a) All Disability benefits for which: (i) You are entitled; and (ii) Your Spouse and children are entitled due to Your Disability;
- (b) All unreduced retirement benefits for which: (i) You are entitled and awarded; and (ii) Your Spouse and children are entitled and awarded due to Your entitlement; and
- (c) All reduced retirement benefits paid to: (i) You; and (ii) Your Spouse and children due to Your receipt of such benefits.

We do not reduce Your Gross Weekly Benefit by the retirement benefits described in (b) and (c) above, to the extent that You and Your dependents were entitled and awarded to receive such income prior to the start of Disability. We will reduce the Gross Weekly Benefit by marginal increases in such income You and Your dependents were entitled and awarded after Disability begins.

We will reduce Your Gross Weekly Benefit by Your dependents benefits described in (a), (b) and (c) above if: (i) the dependents benefits are provided to You by the Social Security Administration; (ii) at the time that the Social Security Administration makes its first payment of the dependent benefits described in (a), (b), and (c) above, the dependent child remains a minor dependent or an adult Disabled dependent; and (iii) the dependent benefits You are entitled to are greater than any dependent benefit being received by another person. Under these circumstances, We will reduce Your Gross Weekly Benefit by the difference between the amount the dependent was awarded under the prior recipient and the amount awarded the dependent under Your benefits.

We do not reduce Your Gross Weekly Benefit by the benefits to which You are entitled, as described in (a), (b), and (c) above unless such benefits are greater than any widow/widower benefit You are receiving. And then We reduce Your Gross Weekly Benefit by the difference.

- Income of the type that is included in Your Insured Earnings for purposes of determining Your Gross Weekly Benefit under this Certificate.
- That portion of Retirement Plan retirement benefits which the Employer funds.
- That portion of Retirement Plan Disability benefits which the Employer funds.
- Retirement benefits or Retirement Plan disability benefits, due to Your Disability, from any Government Plan other than those shown above.
- Disability benefits from any:
 - No-Fault Motor Vehicle Coverage;
 - Motor vehicle financial responsibility act; or
 - Like law.
- Payment or settlement, with or without admission of liability, from: A Workers' Compensation law; an occupational disease law; or any other act or law of like intent.

This includes:

- The Jones' Act;
- The Longshoreman's and Harbor Workers' Compensation Act; or
- Any Maritime doctrine of Maintenance, Wages or Cure.

If You receive a payment net of attorney fees approved by the Workers' Compensation Board or similar authority, We reduce Our benefit by the net payment.

- Disability benefits from any third party when Your Disability is the result of the negligence or intentional tort liability of that third party.
- Unemployment compensation benefits.

- Payment from Your Employer as part of a termination or severance agreement.

We reduce Your Gross Weekly Benefit with income shown above that You are entitled to receive without regard to the reason You are entitled to receive it.

Our right to reduce Your benefit by such income shall not be negated by a transfer of claim liability to a third party. Payment by such third party by law, settlement, judgment, waiver or otherwise shall not negate Our right.

B400.0167

All Options

Other Income Not Subject to Deduction: We will not reduce Your Gross Weekly Benefit by any income You receive or are entitled to receive from the list below.

- Deferred compensation arrangements such as 401(k), 403(b) or 457 plans;
- Profit sharing plans;
- Thrift plans;
- Tax sheltered annuities;
- Stock ownership plans;
- Individual Retirement Accounts (IRA);
- Individual disability income policies;
- Credit disability insurance;
- Non qualified plans of deferred compensation;
- Pension plans for partners;
- Retirement plans of another Employer not affiliated with this Certificate;
- Military pension and disability plans;
- Income from a sick leave, salary continuance, or paid time off plan;
- Critical Illness insurance, unless the benefit is paid out as a wage replacement benefit;
- Accident insurance, unless the benefit is paid out as a wage replacement benefit;
- Specified Disease insurance, unless the benefit is paid out as a wage replacement benefit;
- Cancer insurance, unless the benefit is paid out as a wage replacement benefit.

B400.0172

Lump Sum Payments Of Other Income: Income with which We integrate may be paid in a lump sum. In this case, We take the equivalent weekly rate stated in the award into account when We determine Your Weekly Benefit. If no weekly rate is given, We divide the lump sum payment by the number of calendar days in the period for which it was awarded. This will determine the daily rate. Then, multiply the daily rate by 7. The result is the prorated weekly rate.

Cost of Living Freeze: You may receive a cost of living increase in other income with which We integrate. In this case, We do not further reduce Your Weekly Benefit by the amount of such increase.

Application For Other Income: You must apply for other income benefits to which You may be entitled. If these benefits are denied, You must appeal until:

- All reasonable appeals have been made; or
- We notify You that no further appeals are required.

If We determine that You are entitled to receive such other income benefits, We will estimate the amount due to You and Your Spouse and children. We will take this estimated amount into account when We determine Your Weekly Benefit. But, We will not estimate the amount due to You if You and We agree in writing in an agreement provided to You by Us that You will:

- Apply for any benefits for which You may be eligible;
- Appeal any denial of such benefits until all reasonable appeals have been made; and
- Repay any amount We overpaid due to an award of such benefits.

If We do reduce Your Gross Weekly Benefit by an estimated amount, We will adjust Your Weekly Benefit when We receive written proof:

- Of the amount awarded; or
- That the other income benefits have been denied, and no further appeals are possible.

If We underpay You, We will pay the full amount of the underpayment in a lump sum.

We will assist You in applying for other income benefits.

B400.0173

All Options

Adjustment Of Weekly Benefit For Disability Earnings: We adjust the Weekly Benefit for Disability Earnings as follows:

We pay the greater of the amount calculated under Method 1 or Method 2.

Method 1:

- If your Disability Earnings are less than 20% of Your Insured Earnings, We do not reduce your Weekly Benefit.
- If your Disability Earnings are 20% or more of Your Insured Earnings, We reduce Your Weekly Benefit by 50% of Your Disability Earnings.

Method 2:

- (1) Subtract Your Disability Earnings from Your Insured Earnings.
- (2) Divide the result in (1) above by Your Insured Earnings.
- (3) Multiply the result in (2) above by Your Weekly Benefit. This is the amount We pay.

If Your Disability Earnings fluctuate widely from week to week, We may adjust Your Weekly Benefit using an average Disability Earnings amount. The average Disability Earnings amount will be computed using Your most current weeks Disability Earnings and the prior two weeks Disability Earnings.

B400.0199

Maximum Allowable Disability Earnings: This Certificate limits the amount of income You may earn, or may be able to earn, and still be considered Disabled.

If Your Disability Earnings are more than 80% of Your Insured Earnings, payments from this Certificate will end. Payments from this Certificate will also end if You are able to earn more than 80% of Your Insured Earnings.

Minimum Payment: The minimum weekly payment for Disability under this Certificate is \$25.00.

Limitations And Exclusions

Pre-Existing Conditions: A pre-existing condition is an Injury or Sickness, whether diagnosed or misdiagnosed, and any symptoms of it, for which, in the "look back period", You:

- Receive advice or treatment from a Doctor;
- Underwent diagnostic procedures other than routine screening in the absence of symptoms or suspicion of disease process by a Doctor;
- Were prescribed or took prescription drugs; or
- Receive other medical care or treatment, including consultation with a Doctor.

The "look back period" is the 3 Months before the latest of:

- Your Eligibility Date for coverage under this Certificate;
- The Effective Date of a change that increases the benefits payable by this Certificate; and
- The Eligibility Date of a change in Your benefit election that increases the benefit payable by this Certificate.

For any Disability caused by or resulting from a Pre-Existing Condition, We limit the Maximum Payment Period to 2 weeks, unless the Disability starts after You complete at least one full day of Active Work after the date You have been covered under this Certificate for 12 Months in a row.

Your Disability caused by or resulting from a Pre- Existing Condition may begin after:

- A change which provides for an increase in the benefits payable by this Certificate; or
- A change in Your benefit election which increases the benefit payable by this Certificate.

In this case, Your benefit will be limited to the amount that would have been payable had the change not taken place. But, this limit does not apply if Your Disability starts after You complete at least one full day of Active Work after the date the change has been in force for 12 Months in a row.

We do not cover any Disability that starts before Your coverage under this Certificate.

B400.1922

All Options

Prior Coverage Credit: If this Certificate replaces a similar Disability income replacement plan the Employer had with another insurer, the Pre-Existing Condition provision may not apply to You, if coverage under this Certificate starts immediately after the termination of coverage under the prior Disability income replacement plan.

This Certificate must start right after the prior plan ends.

The Pre-Existing Condition provision will be waived for You if You:

- Are Actively Working on Your Eligibility Date for coverage under this Certificate; and
- Have fulfilled the requirements of any Pre-Existing Condition provision of the prior plan provided by the Employer.

You may have been covered under the prior plan when it ended, but have not met the requirements of any Pre-Existing Condition provision of the prior plan. In that case, We credit any time used to meet the prior plan's Pre-Existing Condition provision toward meeting this Certificate's Pre-Existing Condition provision. You must:

- Enroll for coverage under this Certificate on or before this Certificate's Effective Date; and

- Be Actively Working on Your Eligibility Date for coverage under this Certificate.

But, We limit Your maximum Weekly Benefit under this Certificate if:

- It is more than the maximum Weekly Benefit for which You were covered under the prior plan provided by the Employer;
- You become Disabled due to a Pre-Existing Condition; and
- This Certificate pays benefits for such Disability because We credit time as explained above.

In this case, We limit the maximum Weekly Benefit to the amount to which You would have been entitled under the prior plan.

We deduct all payments made by the prior plan under an extension provision.

B400.0207

This Certificate does not pay benefits for Disability caused by:

- Declared or undeclared war, act of war, or armed aggression;
- Service in the armed forces, National Guard, or military reserves of any state or country;
- Your taking part in a riot or insurrection;
- Your commission of, or attempt to commit, a felony. A felony means either:
 - A crime as defined as such under the laws in the jurisdiction in which the crime was committed or attempted; or
 - In states where the law does not define crimes in terms of felonies and misdemeanors, felony means any crime punishable for a minimum of a one year term of incarceration in a jail or prison, as determined by the law of the jurisdiction where the crime was committed or attempted; or
 - A crime as defined as such under federal law;
- The intentional or voluntary inhalation or ingestion of gas, chemical, solvent, poison or other substances not intended for internal consumption, irrespective of any pre-existing or co-morbid condition;
- Intentional self-inflicted injuries while sane or insane;
- An Injury that occurs while, or a Sickness that develops from, performing an occupational duty except for those Employees who are not eligible to participate in Workers' Compensation, occupational disease law, or any other law of like intent; or for an Injury that occurs while, or a Sickness that develops from, performing an occupational duty while working for another employer.

This Certificate does not pay any benefits for any period of Disability:

- During which You are confined to a facility as a result of Your conviction of a crime;
- During which You are receiving medical treatment or care outside the United States or Canada unless expressly authorized by Us;
- Which starts before You are covered by this Certificate;
- After the date You have been outside the United States and/or Canada or a country or region approved by Us for more than 2 Months in a 12 Month period. If You return to the United States and/or Canada or a country or region approved by Us within 6 Months of the end of payments, payments may be resumed, provided You have remained continuously Disabled, subject to all the terms and conditions of this Certificate; or
- During which Your loss of earnings is not solely due to Your Disability.

This Certificate does not pay benefits due solely to a risk of relapse or exacerbation of a prior Injury or illness in the absence of current impairment and Disability.

Services

Rehabilitation And Case Management: We will review Your Disability to see if certain services are likely to help You return to Gainful Work. If needed, We may ask for more medical or vocational information.

When Our review is complete, We may offer You a Rehabilitation Program. We have the right to suspend or end Your Weekly Benefit if You do not accept it.

The Rehabilitation Program will start when a written Rehabilitation Agreement is signed by:

- You;
- Us; and
- Your Employer, if needed.

The program may include, but is not limited to:

- Vocational assessment of Your work potential;
- Coordination and transition planning with an Employer for Your return to work;
- Consulting with Your Doctor on Your return to work and need for accommodations;
- Training in job seeking skills and resume preparation; and
- Retraining.

We have the right to determine which services are appropriate.

If You accept the Rehabilitation Agreement, We will pay an enhanced benefit. The enhanced benefit will be 110% of the Weekly Benefit that would otherwise be paid. This enhanced benefit will be payable as of the first Weekly Benefit after the Rehabilitation Program starts.

We stop paying the enhanced benefit on the earliest of:

- The date Your benefits from this Certificate end;
- The date You violate the terms of the Rehabilitation Agreement;
- The date You end the Rehabilitation Program; or
- The date the Rehabilitation Agreement ends.

If You end a Rehabilitation Program without Our consent, You must repay any enhanced benefits paid.

Dependent Care Expenses: While You are participating in a Rehabilitation Program, We will pay a dependent care expense benefit, when all of the following conditions are met:

- You incur expense to provide care for a qualified dependent; and
- The care is provided by a licensed provider other than a family member by blood or marriage.

The dependent care expense benefit will be the lesser of:

- \$100.00 per week per qualified dependent; not to exceed \$300.00 per week for all qualified dependents combined; and
- The actual weekly day care expense incurred by You.

Subrogation:When this Certificate pays a benefit, We will immediately be subrogated to Your rights of recovery from any third party to the full extent of benefits paid.

Lien Rights:We will have a lien to the extent of benefits We paid due to Your Injury, Sickness or condition for which the third party is liable. The lien will be imposed on any recovery, whether by settlement, judgment, or otherwise, including from any insurance coverage, that You receive due to Your Injury, Sickness or condition. The lien may be enforced against any party who holds funds or proceeds which represent the amount of benefits paid by Us. This includes, but is not limited to:

- To make You whole; or
- To compensate You for the damages sustained.

This Certificate is not required to participate in or pay court costs or attorney fees to the attorney hired by You to pursue Your damage claim.

Applicable To All Settlements And Judgments:We are entitled to full recovery regardless of whether:

- Any liability for payment is admitted by a third party; or
- The settlement or judgment received by You identifies the benefits the plan paid.

This Certificate is entitled to recover from any and all settlements or judgments, even those designated as pain and suffering or non-economic damages only.

Cooperation: You must fully cooperate with Our efforts to recover the benefits paid under this Certificate. You must notify Us within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of Your intention to pursue or investigate a claim to recover damages or obtain compensation due to Injury, Sickness or condition sustained by You. You and Your agents, must provide all information requested by Us or Our representative. This includes, but is not limited to, completing and submitting any applications or other forms or statements as We may reasonably request. Failure to do this may result in the termination of benefits or the instigation of legal action against You.

You must do nothing:

- To prejudice Our rights as described in this section; or
- To prejudice Our ability to enforce the terms of this section.

This includes, but is not limited to, refraining from making any settlement or recovery that attempts to reduce or exclude the full amount of all benefits paid by this Certificate.

We have the right to conduct an investigation regarding the Injury, Sickness or condition to identify any third party. We reserve the right to notify the third party and his or her agents of Our lien. Agents include, but are not limited to:

- Insurance companies; and
- Attorneys.

Interpretation:In the event that any claim is made that any part of this section is ambiguous, or questions arise as to the meaning or intent of any of its terms, We have the authority to resolve all disputes regarding the interpretation of this section.

STATEMENT OF ERISA RIGHTS

**The Guardian Life Insurance Company of America
7 Hanover Square
New York, New York 10004
(212) 598-8000**

Your group Short Term Disability benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

Receive Information about Your Plan and Benefits

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforcement of Your Rights

If your claim for a welfare benefit is denied or ignored, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions

If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Disability Benefits Claims Procedure

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from The Guardian Life Insurance Company of America (hereinafter referenced as Guardian).

Guardian is the Claims Fiduciary with discretionary authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has discretionary authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

Definitions

"Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment for a benefit.

B400.1963

Timing for Initial Benefit Determination

The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Adverse Benefit Determination

If a claim is denied, Guardian will provide a notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures;
- Identification and description of any specific internal rule, guideline or protocol that was relied upon in making an adverse benefit determination, or a statement that a copy of such information will be provided to the claimant free of charge upon request;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination on appeal, and;
- In the case of an adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

Appeal of Adverse Benefit Determinations

If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- Provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- In deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- Identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- Ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 45 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 45 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 45- day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonably access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits;
- If applicable, provide the internal rule, guideline, protocol, or other similar criterion relied upon in making the adverse determination, either the specific rule, guideline, protocol, or other similar criterion; or a statement that such rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination and that a copy of the rule, guideline, protocol, or other similar criterion will be provided free of charge to the claimant upon request, and;
- In the event the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, provide either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request.

Alternative Dispute Options

The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.

When Coverage Starts

For coverage to start, You must be fully capable of performing the major duties of Your Own Occupation for the Employer and working the minimum required number of hours of an Employee in Your eligible class at 12:01 A.M. Standard Time for Your place of residence on Your scheduled Eligibility Date. And, for coverage to start, You must meet all of the Conditions of Eligibility described above and the conditions shown below which apply to You. If You are not fully capable of performing the major duties of Your Own Occupation on Your scheduled Eligibility Date, We will postpone the start of Your coverage until You are so capable and working the minimum required number of hours of an Employee in Your eligible class for one full day, with the capacity to do so for one full week.

Whether You must pay all or part of the cost of Your coverage, You must elect to enroll and agree to make the required payments before Your coverage starts. If You do this on or before Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You do this within 31 days after Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You elect to enroll and agree to make the required payments more than 31 days after Your Eligibility Date, Your coverage will not start until You send Us Proof of Insurability. Once We have approved such proof, Your coverage is scheduled to start on Your approved Eligibility Date.

B400.0359

Exception to When Coverage Starts

Sometimes a scheduled Eligibility Date is not a regularly scheduled work day. If the scheduled Eligibility Date falls on:

- A holiday;
- A vacation day;
- A non-scheduled work day;
- A day during an approved leave of absence not due to Sickness or Injury, of 90 days or less; or
- A day during a period of absence that is less than 7 days in duration;

and if:

- You are fully capable of performing the major duties of Your Own Occupation for the Employer for the minimum number of hours of an Employee in Your eligible class at 12:01 AM Standard Time for Your place of residence on the scheduled Eligibility Date; and
- You were performing the major duties of Your Own Occupation and working the minimum number of hours of an Employee in Your eligible class on Your last regularly scheduled work day.

Your coverage will start on the scheduled Eligibility Date. However, any coverage or part of coverage for which You must elect and pay all or part of the cost, will not start if You are on an approved leave, layoff or absence and such coverage or part of coverage was not previously in force for You under a prior plan which this Certificate replaced.

Any part of Your coverage which is subject to Proof of Insurability will not start unless You send such proof to Us, and We approve it in writing. Once We have approved it, that part of Your coverage is scheduled to start on Your approved Eligibility Date.

We will postpone such coverage until You complete one full day of Active Work, working the minimum required number of hours of an eligible class, with the capacity to do so for one full week without missing a work day due to the same condition(s). Coverage for an otherwise covered loss due to all other conditions will start on the date You return to Active Work working the minimum required number of hours of Your eligible class and performing the regular duties of Your Occupation.

As of this Certificate's redetermination date, We use Your Insured Earnings on record with Us to:

- set rates;

- project benefit amounts and limits; and
- calculate premium payable under this Certificate.

You must be actively-at-work on a Full-Time basis on that date. If You are not, We do not do this until the date You return to Active Work on a Full-Time basis. But, changes in earnings will not apply to a Recurring Disability.

Other Income Benefits: You may receive, or be entitled to receive, income shown in the list below.

We will reduce Your Gross Monthly Benefit by such other income benefits to determine Your Monthly Benefit from this Certificate.

- Commissions or monies received, payable but deferred, or paid after Disability benefits start.

This includes:

- Vested and nonvested renewal commissions;
- Bonuses;
- Royalties; and
- Other distributions.
- Disability benefits from any mandated benefit act or law. This includes all temporary disability or state disability benefits required by law.
- Disability benefits from all group policies or plans of the Employer. This includes payments made by a group life insurance plan due to Your Disability. This does not include payments made from a group life insurance plan's:
 - Accelerated death benefit; or
 - Like provision that allows payment of such plan's proceeds due to terminal illness.
- Disability benefits from any other group policy or plan; but, if the other group plan was in force prior to this Certificate, and the other group plan also deducts for disability benefits from any other group plan, We will not deduct these other group disability benefits.
- Income from sick leave, salary continuance or paid time off, exclusive of vacation time accrued prior to Disability, but only to the extent that such income plus the amount of Your Gross Monthly Benefit is more than 100% of Your Indexed Insured Earnings. This applies whether such benefits are sponsored on a formal or informal basis. This includes:
 - Donated;
 - Lump sum; and

- Recurrent payments of accrued sick leave benefits.

But, if You are working while Disabled, We will account for such income as described in Adjustment of Monthly Benefit for Disability Earnings.

- Income received from partnership distributions but only to the extent that such income plus the amount of Your Gross Monthly Benefit is more than 100% of Your Indexed Insured Earnings.
- Benefits from: The United States Social Security Act; The Railroad Retirement Act; or any other like U.S. or Canadian plan or act.

This includes:

- (a) All disability benefits for which: (i) You are entitled; and (ii) Your spouse and children are entitled due to Your Disability;
- (b) All unreduced retirement benefits for which: (i) You are entitled and awarded; and (ii) Your spouse and children are entitled and awarded due to Your entitlement; and
- (c) All reduced retirement benefits paid to: (i) You; and (ii) Your spouse and children due to Your receipt of such benefits.

We do not reduce Your Gross Monthly Benefit by the retirement benefits described in (b) and (c) above, to the extent that You and Your dependents were entitled and awarded such income prior to the start of Disability. We will reduce the Gross Monthly Benefit by marginal increases in such income You and Your dependents were entitled and awarded after Disability begins.

We will reduce Your Gross Monthly Benefit by Your dependents' benefits described in (a), (b) and (c) above if: (i) the dependents' benefits are provided to You by the Social Security Administration; (ii) at the time that the Social Security Administration makes its first payment of the dependent benefits described in (a), (b), and (c) above, the dependent child remains a minor dependent or an adult Disabled dependent, and (iii) the dependent benefits You are entitled to are greater than any dependent benefit being received by another person. Under these circumstances, We will reduce Your Gross Monthly Benefit by the difference between the amount the dependent was awarded under the prior recipient and the amount awarded the dependent under Your benefits.

We do not reduce Your Gross Monthly Benefit by the benefits to which You are entitled, as described in (a), (b), and (c) above unless such benefits are greater than any widow/widower benefit You are receiving. And then We reduce Your Gross Monthly Benefit by the difference.

- Income of the type that is included in Your Insured Earnings for purposes of determining Your Gross Monthly Benefit under this Certificate.
- That portion of Retirement Plan retirement benefits which the Employer funds.
- That portion of Retirement Plan disability benefits which the Employer funds.

- Retirement benefits or Retirement Plan disability benefits, due to Your Disability, from any Government Plan other than those shown above.
- Disability benefits from any:
 - No-Fault Motor Vehicle Coverage;
 - Motor vehicle financial responsibility act; or
 - Like law.
- Payment or settlement, with or without admission of liability, from: A Workers' Compensation law; an occupational disease law; or any other act or law of like intent.

This includes:

- The Jones' Act;
- The Longshoreman's and Harbor Workers' Compensation Act; or
- Any Maritime doctrine of Maintenance, Wages or Cure.

If You receive a payment net of attorney fees approved by the Workers' Compensation Board or similar authority, We reduce Our benefit by the net payment.

- Disability benefits from any third party when Your Disability is the result of the negligence or intentional tort liability of that third party.
- Unemployment compensation benefits.
- Payment from Your Employer as part of a termination or severance agreement.

We reduce Your Gross Monthly Benefit with income shown above that You are entitled to receive without regard to the reason You are entitled to receive it.

Our right to reduce Your benefit by such income shall not be negated by a transfer of claim liability to a third party. Payment by such third party by law, settlement, judgment, waiver or otherwise shall not negate Our right.

- Thrift plans;

Lump Sum Payments of Other Income: Income with which We integrate may be paid in a lump sum. In this case, We take the equivalent Monthly rate stated in the award into account when We determine Your Monthly Benefit.

If no Monthly rate is given, We pro-rate the lump sum over the lesser of:

- 60 months; or
- The expected remaining number of Months for which You would be entitled to benefits from this Certificate based on the proof of loss submitted to Us.

B400.0486

All Options

Application For Other Income: You must apply for other income benefits to which You may be entitled. If these benefits are denied, You must appeal until:

- All reasonable appeals have been made; or
- We notify You that no further appeals are required.

If We determine that You are entitled to receive such other income benefits, We will estimate the amount due to You and Your spouse and children. We will take this estimated amount into account when We determine Your Monthly Benefit.

But, We will not estimate the amount due to You if You and We agree in writing in an agreement provided to You by Us that You will:

- Apply for any benefits for which You may be eligible;
- Appeal any denial of such benefits until all reasonable appeals have been made; and
- Repay any amount We overpaid due to an award of such benefits.

If We do reduce Your Gross Monthly Benefit by an estimated amount, We will adjust Your Monthly Benefit when We receive written proof:

- Of the amount awarded; or
- That the other income benefits have been denied; and no further appeals are possible.

If We underpay You, We will pay the full amount of the underpayment in a lump sum.

We will assist You in applying for other income benefits.

Adjustment of Monthly Benefit For Disability Earnings: We adjust the Monthly Benefit for Disability Earnings as follows:

For each of the first 12 Months after the date You first have Disability Earnings, add Your Gross Monthly Benefit and Your Disability Earnings.

- If the sum is not more than 100% of Your Indexed Insured Earnings, We do not reduce Your Monthly Benefit.
- If the sum is more than 100% of Your Indexed Insured Earnings, We reduce Your Monthly Benefit by the amount over 100% of Your Indexed Insured Earnings.

For each Month after that, We pay the greater of the amount calculated under Method 1 or Method 2.

Method 1:

- If Your Disability Earnings are less than 20% of Your Indexed Insured Earnings, We do not reduce Your Monthly Benefit.
- If Your Disability Earnings are 20% or more of Your Indexed Insured Earnings, We reduce Your Monthly Benefit by 50% of Your Disability Earnings.

Method 2:

- (1) Subtract Your Disability Earnings from Your Indexed Insured Earnings.

- (2) Divide the result in (1) above by Your Indexed Insured Earnings.
- (3) Multiply the result in (2) above by Your Monthly Benefit. This is the amount We pay.

If Your Disability Earnings fluctuate widely from Month to Month, We may adjust Your Monthly Benefit using an average Disability Earnings amount. The average Disability Earnings amount will be computed using Your most current Month's Disability Earnings and the prior two Months Disability Earnings.

All Options

Maximum Allowable Disability Earnings: This Certificate limits the amount of income You may earn, or may be able to earn, and still be considered Disabled.

If Your Disability Earnings are more than the limit shown below, payments from this Certificate will end. Payments from this Certificate will also end if You are able to earn more than the limit shown below:

- During the Own Occupation period, the limit is 80% of Your Indexed Insured Earnings.
- After this Certificate has paid benefits for 24 Months in a row, the limit is 80% of Your Indexed Insured Earnings if You are Working While Disabled, or 60% of Your Indexed Insured Earnings if You are not Working While Disabled.

B400.0495

All Options

Indexing: We apply an indexing factor to Your Insured Earnings on the date You have received 12 Monthly payments in a row and each anniversary after that. This factor increases the amount of income You may earn and still be considered Disabled. This adjustment does not increase Your Gross Monthly Benefit, Monthly Benefit, or any other benefit under this Certificate.

To make the first adjustment, We multiply Your Insured Earnings by the indexing factor for that year. To make adjustments in each later year, We multiply the amount of Your last indexed Insured Earnings by the indexing factor.

The indexing factor is the lesser of:

- 10%; or
- One-half of the average CPI-W from the prior calendar year.

B400.0497

Minimum Payment: The minimum Monthly payment for Disability under this Certificate is the larger of: (1) 10% of Your Gross Monthly Benefit; or (b) \$100.00.

Limitations And Exclusions

Disabilities With A Limited Maximum Payment Period: We limit the Maximum Payment Period, if You are Disabled due to: a Mental Illness; drug or alcohol abuse. If You have a coexistent condition(s), which is not subject to the limits in this section, and constitutes a Disability in and of itself, We will not limit benefits as described below.

The Maximum Payment Period for each period of Disability due to: a Mental Illness; drug or alcohol abuse; is 24 Months. This is a combined lifetime maximum for all such conditions and all periods of Disability.

No benefits will be paid for Disability due to a Mental Illness or drug or alcohol abuse if You are not receiving treatment for the cause of the Disability from a provider, or a facility that is:

- Licensed by the state to provide treatment for such condition; and
- Accredited or approved by the Joint Commission on the Accreditation of Health Care Facilities or Medicare.

If payments under this Certificate would otherwise end due to the limits in this section, We may extend such payments if You meet all of the following conditions:

- You must be Disabled due to a condition named above;
- You must be an inpatient in a qualified institution because of Your Disability; and
- You must have been treated as an inpatient for at least 14 days in a row.

In such case, We will extend payments, if You are Disabled and otherwise remain entitled to payments under the Certificate, until the earliest of:

- 90 days from the date of Your discharge, following the date benefits would otherwise have ended;
- The end of this Certificate's Maximum Payment Period; or
- The date Your Disability ends.

As used here, "qualified institution" means a legally operated hospital or other public or private facility licensed to provide inpatient medical care and treatment for the cause of Your Disability.

B400.0512

All Options

Pre-Existing Conditions: A Pre-Existing Condition is an Injury or Sickness, whether diagnosed or misdiagnosed, and any symptoms of it, for which, in the "look back period", You:

- Receive advice or treatment from a Doctor;

- Underwent diagnostic procedures other than routine screening in the absence of symptoms or suspicion of disease process by a Doctor;
- Were prescribed or took prescription drugs; or
- Received other medical care or treatment, including consulting with a Doctor.

The "look back period" is the three Months before the latest of:

- Your Eligibility Date for coverage under this Certificate;
- The Effective Date of a change that increases the benefits payable by this Certificate; or
- The Eligibility Date of a change in Your benefit election that increases the benefit payable by this Certificate.

No benefits are payable for Disability caused by, or resulting from a Pre-Existing Condition; unless the Disability starts after You complete at least one full day of Active Work after the date You have been covered under this Certificate for 12 Months in a row.

Your Disability caused by, contributed to by or resulting from; a Pre- Existing Condition may begin after:

- A change which provides for an increase in the benefits payable by this Certificate; or
- A change in Your benefit election which increases the benefit payable by this Certificate.

In this case, Your benefit will be limited to the amount that would have been payable had the change not taken place. But, this limit does not apply if Your Disability starts after You complete at least one full day of Active Work after the date the change has been in force for 12 Months in a row.

We do not cover any Disability that starts before Your Eligibility Date for coverage under this Certificate.

B400.1819

All Options

Prior Coverage Credit: If this Certificate replaces a similar disability income replacement plan the Employer had with another insurer, the Pre-Existing Condition provision may not apply to You, if coverage under this Certificate starts immediately after the termination of coverage under the prior disability income replacement plan. This Certificate must start right after the prior plan ends.

The Pre-Existing Condition provision will be waived for You if You:

- Are Actively Working on the Your Eligibility Date for coverage under this Certificate; and
- Have fulfilled the requirements of any Pre-Existing Condition provision of the prior plan provided by the Employer.

You may have been covered under the prior plan when it ended, but have not met the requirements of any Pre-Existing Condition provision of the prior plan. In that case, We credit any time used to meet the prior plan's Pre-Existing Condition provision toward meeting this Certificate's Pre-Existing Conditions provision. You must:

- Enroll for coverage under this Certificate on or before this Certificate's Effective Date; and
- Be Actively Working on Your Eligibility Date for coverage under this Certificate.

But, We limit Your maximum Monthly Benefit under this Certificate if:

- It is more than the maximum Monthly Benefit for which You were covered under the prior plan provided by the Employer;
- You become Disabled due to a Pre-Existing Condition; and
- This Certificate pays benefits for such Disability because We credit time as explained above.

In this case, We limit the maximum Monthly Benefit to the amount to which You would have been entitled under the prior plan.

We deduct all payments made by the prior plan under an extension provision.

All Options

Exclusions: This Certificate does not pay benefits for Disability caused by:

- Declared or undeclared war, act of war, or armed aggression;
- Service in the armed forces, National Guard, or military reserves of any state or country;
- Your taking part in a riot or insurrection;
- Your commission of, or attempt to commit a felony. A felony means either:
 - A crime as defined as such under the laws in the jurisdiction in which the crime was committed or attempted; or
 - In states where the law does not define crimes in terms of felonies and misdemeanors, felony means any crime punishable for a minimum of one year term of incarceration in a jail or prison, as determined by the law of the jurisdiction where the crime was committed or attempted; or
 - A crime as defined as such under federal law;
- The intentional or voluntary inhalation or ingestion of gas, chemical, solvent, poison or other substances not intended for internal consumption, irrespective of any pre-existing or co-morbid condition;
- Intentional self-inflicted injuries while sane or insane;

This Certificate does not pay any benefits for any period of Disability:

- During which You are confined to a jail, prison or other facility as a result of Your conviction of a crime;
- During which You are receiving medical treatment or care outside the United States or Canada unless expressly authorized by Us;
- Which starts before You are covered by this Certificate;
- After the date You have been outside the United States and/or Canada and/or a country or region approved by Us for more than 2 Months in a 12 Month period. If You return to the United States and/or a country or region approved by Us within 6 Months of the end of payments, payments may be resumed, provided You have remained continuously Disabled, subject to all the terms and conditions of this Certificate; or
- During which Your loss of earnings is not solely due to Your Disability.

This Certificate does not pay benefits due solely to a risk of relapse or exacerbation of a prior injury or illness in the absence of a current impairment and Disability.

B400.1822

Social Security Assistance: If You are Disabled, We require You to apply for Social Security benefits. See Application for Other Income. If We believe You are eligible for such benefits, We may offer to assist You in applying for them. Receiving Social Security benefits will protect Your earnings record for retirement and enable You to qualify for Medicare coverage after 24 Months.

Services We can provide include:

- Help in completing Your application for such benefits, and any related forms;
- Assistance finding suitable legal counsel; and
- Copies of medical and vocational data needed to file Your claim.

We may also provide these and other services if Your benefits are under review for possible termination by the Social Security Administration.

You must apply for all income benefits for which You may be eligible, whether or not You use Our help. Using Our help does not cancel Your duties shown in Application for Other Income.

Rehabilitation And Case Management: We will review Your Disability to see if certain services are likely to help You return to Gainful Work. If needed, We may ask for more medical or vocational information.

When Our review is complete, We may offer You a Rehabilitation Program. We have the right to suspend or end Your Monthly Benefit if You do not accept it.

The Rehabilitation Program will start when a written Rehabilitation Agreement is signed by:

- You;
- Us; and
- Your Employer, if needed.

The program may include, but is not limited to:

- Vocational assessment of Your work potential;
- Coordination and transition planning with an Employer for Your return to work;
- Consulting with Your Doctor on Your return to work and need for accommodations;
- Training in job seeking skills and resume preparation; and
- Retraining.

We have the right to determine which services are appropriate.

If You accept the Rehabilitation Agreement, We will pay an enhanced benefit. The enhanced benefit will be 110% of the Monthly Benefit that would otherwise be paid. This enhanced benefit will be payable as of the first Monthly Benefit after the Rehabilitation Program starts.

We stop paying the enhanced benefit on the earliest of:

- The date Your benefits from this Certificate end;
- The date You violate the terms of the Rehabilitation Agreement;
- The date You end the Rehabilitation Program; or
- The date the Rehabilitation Agreement ends.

If You end a Rehabilitation Program without Our consent, You must repay any enhanced benefits paid.

Dependent Care Expenses: While You are participating in a Rehabilitation Program, We will pay a dependent care expense benefit, when all of the following conditions are met:

- You incur expense to provide care for a qualified dependent; and
- The care is provided by a licensed provider other than a family member by blood or marriage.

The dependent care expense benefit will be the lesser of:

- \$350.00 per Month per qualified dependent; not to exceed \$1,000.00 per Month for all qualified dependents combined; and
- The actual Monthly day care expense incurred by You.

We will stop paying the dependent care expense benefit on the earlier of the date You are no longer:

- Incurring dependent care expenses for a qualified dependent;
- Participating in a Rehabilitation Program; or
- Entitled to receive a Monthly Benefit from this Certificate.

As used here, "qualified dependent" means a person who is:

- Dependent upon You for main support and maintenance; and
- Under the age of 14; and
- Your biological child, lawfully adopted child, stepchild or any other child who is living with You in a regular parent-child relationship.

The term also means a family member, related by blood or marriage, age 14 or over who is physically or mentally incapable of caring for him or herself and is dependent upon You for main support and maintenance.

All Options

Worksite Modification: In order to accommodate Your Disability, an Employer may incur a cost to modify his or her worksite. We may reimburse the Employer, up to \$2,500.00 for the cost of the worksite modification. We make this payment if We agree that the modification will enable You to:

- Return to work; or
- Remain at work.

If You do not receive a claim form within 15 days of the date You sent Your Notice, You should send Us written Proof of Loss without waiting for the form. In that case, You must send Us Notice of claim and Proof of Loss as soon as reasonably possible. Overpayment Recovery: If We overpaid You, You must repay Us in full. We have the right to reduce Your payment or apply any benefits payable, including the minimum payment, toward recovery of the overpayment.

SUBROGATION AND RIGHT OF RECOVERY

Purpose: When You have the right to recover amounts paid by this Certificate, We also have certain rights. These are explained below.

Subrogation: When this Certificate pays a benefit, We will immediately be subrogated to Your rights of recovery from any third party to the full extent of benefits paid.

Recovery: If You receive a payment from any third party or insurance coverage due to an Injury, Sickness or condition, We have the right to recover from, and be repaid by, You for all amounts this Certificate has paid due to that Injury, Sickness or condition, up to and including the full amount You receive from any third party or insurance coverage.

Constructive Trust: You must serve as a constructive trustee over the funds that constitute payment from any third party or insurance coverage due to Your Injury, Sickness or condition. If You fail to hold such funds in trust, it will be deemed a breach of Your fiduciary duty to Us.

Lien Rights: We will have a lien to the extent of benefits We paid due to Your Injury, Sickness or condition for which the third party is liable. The lien will be imposed on any recovery, whether by settlement, judgment, or otherwise, including from any insurance coverage, that You receive due to Your Injury, Sickness or condition. The lien may be enforced against any party who holds funds or proceeds which represent the amount of benefits paid by Us. This includes, but is not limited to:

- You;
- Your representative or agent;
- The third party;
- The third party's insurer, representative or agent; and
- Any other source who holds such funds.

First Priority Claim: This Certificate's recovery rights are a first priority claim against all third parties and are to be paid to Us before any other claim for Your damages. This Certificate will be entitled to full repayment on a first dollar basis from any third party's payments, even if such payment to the plan will result in a recovery to You which is not sufficient:

- To make You whole; or
- To compensate You for the damages sustained.

This Certificate is not required to participate in or pay court costs or attorney fees to the attorney hired by You to pursue Your damage claim.

Applicable To All Settlements And Judgments: We are entitled to full recovery regardless of whether:

- Any liability for payment is admitted by a third party; or

- The settlement or judgment received by You identifies the benefits the Certificate paid.

This Certificate is entitled to recover from any and all settlements or judgments, even those designated as pain and suffering or non-economic damages only.

Cooperation: You must fully cooperate with Our efforts to recover the benefits paid under this Certificate. You must notify Us within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of Your intention to pursue or investigate a claim to recover damages or obtain compensation due to Injury, Sickness or condition sustained by You. You and Your agents, must provide all information requested by Us or Our representative. This includes, but is not limited to, completing and submitting any applications or other forms or statements as We may reasonably request. Failure to do this may result in the termination of benefits or the instigation of legal action against You.

You must do nothing:

- To prejudice Our rights as described in this section; or
- To prejudice Our ability to enforce the terms of this section.

Proof of Insurability Requirements Depending on the coverage sought, You may be required to supply proof that the person applying for coverage is insurable for the type and amount of coverage selected. This requirement is called Proof of Insurability. For purposes of this section, any person applying for coverage requiring Proof of Insurability is referred to as an "applicant."

To determine if the applicant is required to submit Proof of Insurability for the type and amount of coverage sought, please see below.

Any applicant required to submit Proof of Insurability must complete and submit to Us an acceptable Enrollment/Change form. We may also require the completion of additional forms so that we may determine whether the applicant is insurable, according to Our underwriting standards for the type and amount of insurance for which the applicant applied. To determine if the applicant is insurable, We may also need to obtain and review the applicant's:

- Health and medical history;
- Prescription history;
- Records relating to treatment;
- Diagnostic testing;
- Hospitalization and the like; and
- Records pertaining to the applicant's driving and motor vehicle history.

No coverage requiring Proof of Insurability will become effective unless and until it is approved by Us in writing. Our receipt of any premiums associated with coverage requiring Proof of Insurability does not waive or modify any requirement that must be satisfied for coverage to begin, including but not limited to the requirement that the applicant submit Proof of Insurability. In the event that any premiums are overpaid, Our only obligation is to return the amount of overpaid premiums

The Employer, or its designee, must give Us complete and accurate information so that we may determine:

- Who is insured;
- The type and amount of coverage for which someone is insured; and

- Any other information required so that Guardian may meet its obligations under the Certificate.

We require proof as follows:

If You:

- Do not meet this Certificate's enrollment requirement within 30 days after You first become eligible; or

Enroll after You previously had coverage which ended because You failed to make a required payment, We will ask for Proof Of Insurability.

And, You will not be covered until We approve that proof in writing.

If Your active Full-Time work ends before You meet any Proof Of Insurability requirements that apply You will still have to meet those requirements if You are later re-employed by the Employer or an associated company within 30 days.

You must give Us Proof of Insurability for any amount greater than the amount for which You were covered under the group long term disability plan which this Certificate replaced.

Any level of coverage that requires Proof of Insurability takes effect on the date We approve that proof in writing. But, You must be Actively At Work on a Full-Time basis on that date. If You are not, the new level of coverage will take effect on the date You return to Active Work on a Full- Time basis. In any case, the new level of coverage will not apply to a Recurring Disability.

CERTIFICATE RIDER

This Rider is effective as of the effective date of the Employee's Certificate. If this Rider is added to an inforce Certificate, the Rider becomes effective on its issue date. This Rider amends the Certificate by the addition of the following:

Income Recovery Benefit Rider

This Rider may pay an Income Recovery Benefit, if Monthly Benefits cease because You are no longer Disabled.

To be eligible for the Income Recovery Benefit, You must be:

- Able to perform the major duties of Your Own Occupation or, if the Certificate has paid all benefits for the Own Occupation period, able to perform the major duties of any Gainful Occupation;
- Working in Your Own Occupation or, if the Certificate has paid all benefits for the Own Occupation period, Your Gainful Occupation, the same number of hours as You did prior to Disability;
- Unable to earn the Certificate's maximum allowable Disability Earnings, due to the Sickness or Injury which caused the prior Disability.

We pay this benefit Monthly, in arrears. We determine the amount We pay in two steps.

In step one, We compute the following: (1) Your Gross Monthly Benefit as of the last month You were Disabled under the terms of the Certificate; less (2) Other Income Benefits.

In step two, We make a current earnings adjustment.

We add:

- Your Gross Monthly Benefit as of the last month You were Disabled under the terms of the Certificate; and
- Your current Disability Earnings.

If such sum exceeds 100% of Your Insured Earnings, We pay the amount in step one less the excess over 100%. If such sum does not exceed 100%, We pay the amount in step one.

We stop paying this benefit on the earliest of:

CERTIFICATE RIDER

This Rider is effective as of the effective date of the Employee's Certificate. If this Rider is added to an inforce Certificate, the Rider becomes effective on its issue date. This Rider amends the Certificate by the addition of the following:

This Rider may pay a Survivor Benefit, according to the terms below.

What We Pay: We may pay a Survivor Benefit if You die after You:

- Had been Disabled for at least six months in a row; and
- Were entitled to receive at least one full Monthly Benefit prior to Your death.

When We receive proof of Your death, We pay Your Eligible Survivor a lump sum benefit.

But, We first apply such benefit to reduce any overpayment You may owe Us.

If You have no Eligible Survivor, no Survivor Benefit is paid.

Accelerated Survivor Benefit

If You have a terminal illness, We may accelerate payment of this Rider's Survivor Benefit.

For purposes of the accelerated Survivor Benefit, a terminal illness means a medical condition that is expected to result in Your death within 6 months.

To receive an accelerated Survivor Benefit, You must:

- Be entitled to receive a Monthly Benefit from the Certificate;
- Request this benefit in writing; and
- Provide written proof of terminal illness from a Doctor.

But, We will not pay an accelerated Survivor Benefit if there are less than 6 months remaining in the maximum benefit period.

STATEMENT OF ERISA RIGHTS

**The Guardian Life Insurance Company of America
7 Hanover Square
New York, New York 10004
(212) 598-8000**

Your group Long Term Disability benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

Receive Information about Your Plan and Benefits

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforcement of Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions

If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Disability Benefits Claims Procedure

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from The Guardian Life Insurance Company of America (hereinafter referenced as Guardian).

Guardian is the Claims Fiduciary with discretionary authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has discretionary authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

Definitions

"Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

Timing for Initial Benefit Determination

The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Adverse Benefit Determination

If a claim is denied, Guardian will provide a notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures;
- Identification and description of any specific internal rule, guideline or protocol that was relied upon in making an adverse benefit determination, or a statement that a copy of such information will be provided to the claimant free of charge upon request;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination on appeal, and;
- In the case of an adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

Appeal of Adverse Benefit Determinations

If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- Provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- In deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- Identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- Ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 45 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 45 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 45- day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonably access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits;
- If applicable, provide the internal rule, guideline, protocol, or other similar criterion relied upon in making the adverse determination, either the specific rule, guideline, protocol, or other similar criterion; or a statement that such rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination and that a copy of the rule, guideline, protocol, or other similar criterion will be provided free of charge to the claimant upon request, and;
- In the event the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, provide either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request.

Alternative Dispute Options

The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.
