Limitation of Authority

No person, except by a writing signed by the President, a Vice President or a Secretary of The Guardian, has the authority to act for us to: (a) determine whether any contract, plan or certificate of insurance is to be issued; (b) waive or alter any provisions of any insurance contract or plan, or any requirements of The Guardian; (c) bind us by any statement or promise relating to any insurance contract issued or to be issued; or (d) accept any information or representation which is not in a signed application.

B160.0004

Incontestability

This *plan* is incontestable after two years from its date of issue, except for non-payment of premiums.

No statement in any application, except a fraudulent statement, made by a person insured under this *plan* shall be used in contesting the validity of his insurance or in denying a claim for a loss incurred, or for a disability which starts, after such insurance has been in force for two years during his lifetime.

If this *plan* replaces a plan your *employer* had with another insurer, we may rescind the *employer's plan* based on misrepresentations made by the *employer* or an *employee* in a signed application for up to two years from the effective date of this *plan*.

CGP-3-R-INCY-90

B160.0003

Examination and Autopsy

We have the right to have a *doctor* of our choice examine the person for whom a claim is being made under this *plan* as often as we feel necessary. And we have the right to have an autopsy performed in the case of death, where allowed by law. We'll pay for all such examinations and autopsies.

Accident and Health Claims Provisions

Your right to make a claim for any *accident and health* benefits provided by this *plan*, is governed as follows:

Notice You must send us written notice of an *injury* or *sickness* for which a claim is being made within 20 days of the date the *injury* occurs or the *sickness* starts. This notice should include your name and *plan* number.

Proof of Loss We'll furnish you with forms for filing proof of loss within 15 days of receipt of notice. But if we don't furnish the forms on time, we'll accept a written description and adequate documentation of the *injury* or *sickness* that is the basis of the claim as proof of loss. You must detail the nature and extent of the loss for which the claim is being made. You must send us written proof within 90 days of the loss.

If this plan provides weekly loss-of-time insurance, you must send us written proof of loss within 90 days of the end of each period for which we're liable. If this plan provides long term disability income insurance, you must send us written proof of loss within 90 days of the date we request it. For any other loss, you must send us written proof within 90 days of the loss.

Late Notice of Proof We won't void or reduce your claim if you can't send us notice and proof of loss within the required time. But you must send us notice and proof as soon as reasonably possible.

Payment of Benefits We'll pay benefits for loss of income once every 30 days for as long as we're liable, provided you submit periodic written proof of loss as stated above. We'll pay all other *accident and health* benefits to which you're entitled as soon as we receive written proof of loss.

We pay all *accident and health* benefits to you, if you're living. If you're not living, we have the right to pay all *accident and health* benefits, except dismemberment benefits, to one of the following: (a) your estate; (b) your spouse; (c) your parents; (d) your children; (e) your brothers and sisters; and (f) any unpaid provider of health care services. See "Your Accidental Death and Dismemberment Benefits" for how dismemberment benefits are paid.

When you file proof of loss, you may direct us, in writing, to pay health care benefits to the recognized provider of health care who provided the covered service for which benefits became payable. We may honor such direction at our option. But we can't tell you that a particular provider must provide such care. And you may not assign your right to take legal action under this *plan* to such provider.

Limitations of Actions You can't bring a legal action against this *plan* until 60 days from the date you file proof of loss. And you can't bring legal action against this *plan* after three years from the date you file proof of loss.

Workers' Compensation The *accident and health* benefits provided by this *plan* are not in place of, and do not affect requirements for coverage by Workers' Compensation.

ELIGIBILITY FOR DISABILITY COVERAGE

B329.0002

Employee Coverage

Eligible Employees To be eligible for employee coverage, you must be an active *full-time employee*. And you must belong to a class of *employees* covered by this *plan*.

Other Conditions If you must pay all or part of the cost of employee coverage, we won't insure you until you enroll and agree to make the required payments. If you do this: (a) more than 31 days after you first become eligible; or (b) after you previously had coverage which ended because you failed to make a required payment, we also ask for *proof* that you're insurable. And you won't be covered until we approve that *proof* in writing.

If your active *full-time* service ends before you meet any *proof of insurability* requirements that apply to you, you'll still have to meet those requirements if you're later re-employed.

Part or all of your insurance amounts may be subject to *proof* that you're insurable. Other parts of this coverage explain if and when we require *proof*. You won't be covered for any amount that requires such *proof* until you give the *proof* to us and we approve it in writing.

CGP-3-EC-90-1.0

B329.0039

When Your Coverage Starts *Employee* benefits that don't require *proof* that you are insurable are scheduled to start on the effective date shown on the sticker attached to the inside front cover of this booklet.

Employee benefits that require such *proof* won't start until you send us the *proof* and we approve it in writing. Once we have approved it, the benefits are scheduled to start on the effective date shown in the endorsement section of your application. A copy of the approved application is furnished to you.

But you must be actively at work on a *full-time* basis on the scheduled effective date or dates. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not actively at work on any date part of your insurance is scheduled to start, we will postpone that part of your coverage until the date you return to active *full-time* work.

Sometimes, the effective date shown on the sticker or in the endorsement is not a regularly scheduled work day. But coverage will still start on that date if you were actively at work on a *full-time* basis on your last regularly scheduled work day.

Employee Coverage (Cont.)

Delayed Effective Date For Disability Coverage

With respect to this *plan's* disability insurance, if an *employee* is not actively at work on a *full-time* basis on the date his or her coverage is scheduled to start, due to *sickness* or *injury*, we'll postpone coverage for an otherwise covered loss due to that condition. We'll postpone such coverage until he or she completes 10 consecutive days of active *full-time* service without missing a work day due to the same condition.

Coverage for an otherwise covered loss due to all other conditions will start on the date the *employee* returns to active *full-time* service.

CGP-3-DEF-97

B329.0103

When Your Coverage Ends

Your short term disability coverage ends on the date your active *full-time* service ends for any reason.

It also ends on the date you stop being a member of a class of *employees* eligible for insurance under this *plan*, or when this *plan* ends for all *employees*. And it ends when this *plan* is changed so that benefits for the class of *employees* to which you belong ends.

If you are required to pay all or part of the cost of this *coverage* and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

If you are disabled, as defined by this *plan* when your active *full-time* service ends, coverage remains inforce while you are continuously disabled, subject to all the terms of this plan.

We will pay for all such assessments. If you do not take part in the assessment, we have the right to stop or suspend your payments under this *plan*.

Payment Of Benefits We pay benefits to you if you are legally competent. If you are not, we pay benefits to the legal representative of your estate.

We pay benefits twice each month on a pro rata basis after the period for which they are payable.

Benefits to which you are entitled may remain unpaid at your death. Such benefits may be paid at our discretion to: (a) your estate; or (b) your spouse, parents, children, or brothers and sisters.

When Benefits End

When Payments End Your benefits from this *plan* will end on the earliest of the dates shown below:

- (a) The date you are no longer *disabled*.
- (b) The date you earn, or are able to earn, the maximum earnings allowed while *disabled* under this *plan*.
- (c) The date you are able to perform the major duties of your *own job* on a full-time basis with reasonable accommodation that an employer is willing to provide.

The term "reasonable accommodation" means any modification or adjustment to: (i) a job; (ii) an employment practice; (iii) a work process; or (iv) the work place. The modification or adjustment must make it possible for a *disabled* person to: (1) reach the same level of performance as a similarly situated non-disabled person; or (2) enjoy equal benefits and privileges of employment as are available to a similarly situated non-disabled person. The modification or adjustment must not place an undue hardship on the employer.

Maximum Payment Period The *maximum payment period* is the longest time that benefits are paid by this *plan* for your *disability*.

For *disability* due to *injury* the *maximum payment period* is 22 weeks.

For *disability* due to *sickness*, the *maximum payment period* is 22 weeks.

Payments for a pre-existing condition will be limited to a maximum of 2 weeks.

If This Plan Ends This insurance ends when the group plan ends. It also ends when this insurance is dropped from the group plan for all insureds, or for your class. If you are *disabled* when this insurance ends, we will treat you as if your insurance did not end. But, your benefit will be based on all of the terms of this *plan*.

CGP-3-STD2K-3.1

B335.0016

To Determine Your Benefit

Your benefit is determined by the plan of benefits and your *insured earnings* in effect on the date your *disability* starts.

Any changes to this *plan* that take place while you are *disabled* will not affect how we determine your benefit. This is also true for any changes that take place during a period of *active work* that occurs between an initial period of *disability* and a *recurring disability*.

Determining Your Weekly Benefit

Your *weekly benefit* is determined as shown below.

- (a) Your *gross weekly benefit* is this *plan's maximum weekly benefit*. If such amount exceeds 70% of your *insured earnings*, your *gross weekly benefit* will be limited to 70% of your *insured earnings*.
- (b) From your *gross weekly benefit*, subtract the amount of any income listed in "Income We Integrate With" that you receive or are entitled to receive. The result is your *weekly benefit*.

The amount of your *gross weekly benefit* may be limited if the *plan sponsor* has not updated the amount of your *insured earnings* on the most recent reporting date prior to the start of your *disability*.

See the "Redetermination" section of this *plan* for details.

CGP-3-STD2K-4.0

B335.0021

Redetermination

As of each November 1st, we use your then current *insured earnings* to set rates and to project benefit amounts and limits under this *plan*. However, you must be *actively-at-work* on a full-time basis on that date. If you are not, we do not do this until the date you return to *active work* on a full-time basis. But, changes in earnings will not apply to a *recurring disability*.

CGP-3-STD2K-4.1

B335.0024

Income We Integrate With

You may receive, or be entitled to receive, income shown in the list below. We will integrate your *gross weekly benefit* with such income to determine your *weekly benefit* from this *plan*.

- Commissions received, due to be received, or paid after *disability* benefits start. This includes vested and nonvested renewal commissions.
- Disability benefits from any mandated benefit act or law. This includes all temporary disability or state disability benefits required by law.
- Disability benefits from all group plans of: (1) the *plan sponsor*; or (2) your *employer*. This includes payments made by a group life insurance plan due to your *disability*. This does not include payments made from a group life insurance plan's: (a) accelerated death benefit; or (b) like provision that allows payment of such plan's proceeds due to terminal illness.
- Disability benefits from any other group plan.
- Disability income from any other plan issued to you: (1) because you are employed by, or associated with: (a) the *plan sponsor*; or (b) your *employer*; or (2) because you are a member of any: (a) union; (b) fraternal benefit society; (c) association; or (d) other like organization.

To Determine Your Benefit (Cont.)

- Benefits as shown below from: (1) the United States Social Security Act; (2) the Railroad Retirement Act; or (3) any other like U.S. or Canadian plan or act.
 - (a) All disability benefits for which: (i) you are qualified; and (ii) your spouse and children are qualified due to your *disability*;
 - (b) All unreduced retirement benefits for which: (i) you are qualified; and (ii) your spouse and children are qualified due to your qualification; and
 - (c) all reduced retirement benefits paid to: (i) you; and (ii) your spouse and children due to your receipt of such benefits.

We will integrate your *gross weekly benefit* with such benefits to which your spouse and children are entitled due to your receipt of or qualification for disability benefits. We do this without regard to: (a) your marital status; (b) where you live; (c) where your spouse lives; (d) where your child lives; or (e) any custody arrangements made on behalf of your child.

- *Retirement plan retirement benefits* funded for your benefit by: (1) the *plan sponsor*; or (2) your *employer*.
- *Retirement plan disability benefits*.
- *Retirement benefits* or *retirement plan disability benefits*, due to your *disability*, from any *government plan* other than those shown above.
- Disability benefits from any: (1) *no-fault motor vehicle* coverage; (2) motor vehicle financial responsibility act; or (3) like law.
- Benefits from: (1) a Workers' Compensation law; (2) an occupational disease law; or (3) any other act or law of like intent. This includes: (a) the Jones' Act; (b) the Longshoreman's and Harbor Workers' Compensation Act; or (c) any Maritime doctrine of Maintenance, Wages or Cure.
- Disability benefits from any third party when your *disability* is the result of the negligence or intentional tort liability of that third party.
- Payment from your *employer* as part of a termination agreement.

We integrate your *gross weekly benefit* with income shown above that you are entitled to receive without regard to the reason you are entitled to receive it.

Our right to reduce your benefit by such income shall not be negated by a transfer of claim liability to a third party. Payment by such third party by law, settlement, judgement, waiver or otherwise shall not negate our right.

CGP-3-STD2K-4.2

B335.0025

Lump Sum Payments Of Other Income

Income with which we integrate may be paid in a lump sum. In this case, we take the equivalent weekly rate stated in the award into account when we determine your *weekly benefit*. If no weekly rate is given, we divide the lump sum payment by the number of calendar days in the period for which it was awarded. This will determine the daily rate. Then, multiply the daily rate by seven. The result is the prorated weekly rate.

To Determine Your Benefit (Cont.)

Cost Of Living Freeze You may receive a cost of living increase in other income with which we integrate. In this case, we do not further reduce your *weekly benefit* by the amount of such increase.

Application For Other Income You must apply for other income benefits to which you may be entitled. If these benefits are denied, you must appeal until: (a) all possible appeals have been made; or (b) we notify you that no further appeals are required.

If we feel you are entitled to receive such income benefits, we will estimate the amount due to you and your spouse and children. We will take this estimated amount into account when we determine your *weekly benefit*. But, we will not take this estimated amount into account if you sign our reimbursement agreement. In this agreement you promise: (a) to apply for any benefits for which you may be eligible; (b) to appeal any denial of such benefits until all possible appeals have been made; and (c) to repay any amount we overpaid due to an award of such benefits.

If we do reduce your *gross weekly benefit* by an estimated amount, we will adjust your *weekly benefit* when we receive written proof: (a) of the amount awarded; or (b) that the other income benefits have been denied; and no further appeals are possible. If we underpaid you, we pay the full amount of the underpayment in a lump sum.

We will assist you in applying for other income benefits.

CGP-3-STD2K-4.3

B335.0027

Partial Week Payment You may be disabled for only part of a week. In this case, we compute your payment as 1/7th of the benefit to which you would be entitled for the week times the number of days you are disabled.

Overpayment Recovery If we overpaid you, you must repay us in full. We have the right to reduce your payment or apply any benefits payable, including the minimum payment, toward recovery of the overpayment.

CGP-3-STD2K-4.4

B335.0074

If You Work While Disabled

Income Earned During Disability Subject to the other terms of this *plan*, *income earned during disability* is treated as shown below while this *plan* pays benefits.

We reduce your *weekly benefit* by 50% of your *income earned during disability*.

CGP-3-STD2K-5.0

B335.0032

Maximum Income Earned During Disability This *plan* limits the amount of income you may earn, or may be able to earn, and still be considered *disabled*.

If your *income earned during disability* is more than 80% of your *insured earnings*, payments from this *plan* will end. Payments from this *plan* will also end if you are able to earn more than that limit.

CGP-3-STD2K-5.1

B335.0033

Recurring Disability

Your benefits from this *plan* will end because you cease to be *disabled*. In this case, a later *disability* may be treated as a *recurring disability*. The terms listed below must be met:

- (a) You return to *active work* right after your benefits end;
- (b) Your *disability* recurs less than two weeks after you were last entitled to benefits;
- (c) Your later *disability* is due to the same cause of, or a cause related to the cause of, your earlier *disability*;
- (d) This *plan* does not end during your return to *active work*;
- (e) You do not become covered under any other group short term disability plan during the time you return to *active work*;
- (f) During the time you return to *active work*, you stay insured by this *plan* and premium payments are made on your behalf; and
- (g) Your benefits do not end because you have used up the *maximum payment period*.

Any changes in benefit or the *plan* which take place during your return to *active work*, will not apply to the *recurring disability*.

If the later *disability* is a *recurring disability*, you will not need to complete a new *elimination period* before becoming entitled to benefits. Your claim for *recurring disability* will be subject to the same terms of the *plan* as your earlier *disability*.

CGP-3-STD2K-6.0

B335.0034

Pre-Existing Conditions

A pre-existing condition is a *sickness* or *injury*, including all related conditions and complications, for which, in the look back period, you:

- (a) receive advice or treatment from a *doctor*;
- (b) take prescribed drugs; or
- (c) receive other medical care or treatment, including consultation with a *doctor*.

You may have been prescribed drugs by a *doctor* for a condition to be taken during the look back period. In that case, such condition or a related condition will be considered pre-existing.

The "look back period" is the three months before the latest of: (a) the effective date of your insurance under this *plan*; (b) the effective date of a change that increases the benefits payable by this *plan*; and (c) the effective date of a change in your benefit election that increases the benefit payable by this *plan*.

A pregnancy that exists on the date your insurance under this *plan* starts is also a pre-existing condition.

Pre-Existing Conditions (Cont.)

For any *disability* due to a pre-existing condition, we limit the *maximum payment period* to 2 weeks; unless the *disability* starts after you complete at least one full day of *active work* after the date you are insured under this *plan* for 12 months in a row.

You may become *disabled* due to a pre-existing condition after: (a) a change which provides for an increase in the benefits payable by this *plan*; or (b) a change in your benefit election which increases the benefit payable by this *plan*. In this case, your benefit will be limited to the amount that would have been payable had the change not taken place. This limit does not apply if your *disability* starts after you complete at least one full day of *active work* after the change has been in force for 12 months in a row.

We do not cover any *disability* that starts before your insurance under this *plan*.

Prior Coverage Credit If this *plan* replaces a similar short term disability plan the *plan sponsor* had with another insurer, the pre-existing condition provision may not apply to you. This *plan* must start right after the old plan ends.

We credit any time used to meet the old plan's pre-existing condition provision toward meeting this *plan's* pre-existing condition provision. If the old plan did not have a pre-existing condition provision, we credit any time you were covered under the old plan toward meeting this *plan's* pre-existing condition provision. We do this if: (a) you were covered under the old plan when it ended; and (b) you are *actively-at-work* and enroll for insurance on the effective date of this *plan*.

But, we limit the *maximum weekly benefit* under this *plan* if: (a) it is more than the old plan's maximum; (b) you become *disabled* due to a pre-existing condition; and (c) this *plan* pays benefits for such *disability* because we credit time as explained above. In this case, we limit the *maximum weekly benefit* to an amount equal to the old plan's maximum.

We deduct all payments made by the old plan under an extension provision.

- (c) your taking part in a riot or civil disorder;
- (d) your commission of, or attempt to commit a crime; or

We do not cover any period of *disability* caused by: (i) job related or on the job *injury*; or (ii) conditions for which benefits are payable by Workers' Compensation or like laws.

We do not pay benefits for any period of *disability*:

- (1) during which you are confined to a facility as a result of your conviction of a crime;
- (2) during which you are not receiving regular care by a *doctor*;
- (3) during which you are not receiving medical care appropriate to the cause of your *disability* and any other *sickness* or *injury* which exists during your *disability*;

- (5) during which your loss of earnings is not solely due to your *disability*.

WORKER'S COMPENSATION

For Persons Not Covered By Worker's Compensation A covered person may not be eligible for, or may choose not to be covered by Worker's Compensation. Such person may sustain an on-the-job or job-related injury. If this occurs, we provide benefits as described below:

- (1) For all coverages under this plan, except those that provide benefits for loss of life or loss of income due to disability, we pay benefits for covered charges incurred by the covered person for care and treatment of such injury or condition to the same extent we'd pay benefits for covered charges due to any other sickness or injury.

But what we pay is based on all the terms of this plan.

- (2) For any coverages that provide benefits for loss of income due to disability, we pay benefits for disability due to such injury or condition the same way we'd pay benefits for any other disability.

But what we pay is based on all the terms of this plan.

STATEMENT OF ERISA RIGHTS

As a participant, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Pension and Welfare Benefit Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions By Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Statement of Erisa Rights (Cont.)

Enforcement Of Your Rights If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Pension and Welfare Benefits Administration, U.S. Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Pension and Welfare Benefits Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Pension and Welfare Benefits Administration.

Disability Benefits Claims Procedure

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Plan Administrator.

Guardian is the Claims Fiduciary with discretionary authority to determine eligibility for benefits and to construe the terms of the *plan* with respect to claims. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of the Employee Retirement Income Security Act of 1974 ("ERISA")

Definitions "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

Timing For Initial Benefit Determination The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 45 days after receipt of the claim.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Disability Benefits Claims Procedure (Cont.)

- Adverse Benefit Determination** If a claim is denied, Guardian will provide a notice that will set forth:
- the specific reason(s) for the adverse determination;
 - references to the specific *plan* provision on which the determination is based;
 - a description of any additional material or information necessary to make the claim valid and an explanation of why such material or information is needed;
 - a description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures, including a statement indicating that the claimant has the right to bring a civil action under ERISA Section 502(a) following an adverse benefit;
 - identification and description of any specific internal rule, guideline or protocol that was relied upon in making an adverse benefit determination, or a statement that a copy of such information will be provided to the claimant free of charge upon request; and
 - in the case of an adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

- Appeal of Adverse Benefit Determinations** If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal.

Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- the opportunity to submit written comments, documents, records and other information relating to the claim;
- the opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relating to the claim; and
- a review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will

- provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- in deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;

Disability Benefits Claims Procedure (Cont.)

- identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 45 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 45 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 45-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

Alternative Dispute Options

The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.
